

# COVID-19 UPDATE

Auburn University is transitioning to an **alternate operations model starting Monday, March 16** As an affiliate of Auburn University, the Auburn Research and Technology Foundation (ARTF) will also transition to alternate operations.

## During this period of alternate operations:

- Building 1 (570 Devall Drive) will remain open and will follow normal schedules for access
- **ARTF staff will be in available remotely** during normal business hours. For routine queries, please contact either Barbara Norrell at [barbara@auburn.edu](mailto:barbara@auburn.edu) Larry Fillmer at [larry.fillmer@auburn.edu](mailto:larry.fillmer@auburn.edu).
- For questions/concerns related to building operations or in case of emergency, please contact Phil Dunlap at [tpd0007@auburn.edu](mailto:tpd0007@auburn.edu) or (334) 740-3723

This alternate operations model is currently intended to be in place until April 10. The university (and ARTF) will communicate any necessary modifications to this operations model as circumstances change. Please monitor the university's COVID-19 site for regular updates at <https://ocm.auburn.edu/news/coronavirus/> or [www.auburn.edu](http://www.auburn.edu).
